

CADETS LEAVE TO PLAY FARMVILLE

Benedictine Lads Hope to Achieve Victory to Make Up for Defeats.

The Benedictine College football team, which has strengthened considerably since the drubbing given it on last Wednesday by John Marshall High School, will leave Richmond this morning for Farmville, where the strong Farmville High School team will be played.

The cadets have been through some grueling training during the past week and are in prime condition for to-day's mix-up.

Coach Lutz will accompany the team on the trip, and has expectations of bringing back a Farmville scalp tied safely to the Benedictine belt.

Those who will make the trip are: Manager Pollard, Assistant Manager Overman, Captain Fletcher, Coach Lutz, Spot Grant, B. J. Grant, Curran, Williams, Dugan, Purcell, Bluns, Asher, Morrison, Cheatwood, Amos, "Shap" Parsons, "Nick" Parsons, and Joe West, the last named will not play to-day, owing to a sprained wrist.

The Farmville team is touted as a fast and heavy bunch, and is expected to give the local cadets some fun before the scrap is over. The Benedictine boys will be entertained to-night with a dance given by the fair damsels of the Farmville school.

JEFFERSON SCHOOL IS VICTOR.

Defeats Fork Union Academy by Score of 12 to 6.

Charlottesville, Va., October 20.—Jefferson defeated Fork Union Military Academy to-day, 12 to 6, on the horsehoe grounds. For the victors, Brown made the touchdown, Jones landed a goal from field and McCue tackled a visiting player behind his goal line for a safety. Fork Union's only score, a touchdown, by their full back, came in the final quarter. Jones, Brown, Michie and Wood put up the best game for Jefferson. One of Fork Union's forwards was disqualified by Umpire Denny for rough play.

ALDERMAN KUNZ MAKES CLEAN-UP

Chicago Man Sends His Mudder Home in Front at Laurel Meet.

Laurel, Md., October 20.—Alderman Stanley H. Kunz, of Chicago, made a tremendous clean-up to-day on his mare, Loretta Dwyer. The Windy City politician has been praying for rain, and old Jupiter Pluvius was kind to him. Loretta was good at 40 to 1, and Kunz won a small fortune, for the filly just romped in the lead from start to finish.

Loretta had won a race at the recent Indiana meeting, but her mud running proclivities were an unknown quantity to the local layers, hence the price.

Postpone Commission Meeting.
Chicago, October 20.—The meeting of the National Baseball Commission which was to have been held here to-day was not called to order. President Lynch, of the National League, was not in town, and August Herrmann, chairman of the commission, left early for Cincinnati.

MEDICOS TO HAVE TWO WEEKS' REST

No Game for Sawbones Until November 8—Expect to Show Improvement.

The Medical College of Virginia's eleven will have a chance to recuperate from their recent activities. The game with Georgetown last Saturday was the last until November 8, at which time Randolph-Macon will be played at Ashland. The Medics have had a rather hard series of games, and the two weeks' rest will be accepted with pleasure by the members of the squad. It will also give them a chance to practice with more ease and build up their team work and offensive play.

The Medics have done well, considering the fact that they have had but one practice with their regular line-up. Not much in the way of team work can be accomplished when one-half of the team is out one day and the other half the next. Coach Johns has stood by them through thick and thin, and has labored hard to put them in condition to meet other teams, and with two weeks of steady practice he hopes to teach them the art of team work.

The Medics have about eight stars out of the eleven men, and the others are good players. It would be a hard job to collect better lot of material for a football team than Coach Johns has. With Foster, Captain Walker, Stafford, Brickwell, Oslin, Waters, Parker, Roberts, Seymour, Schenck, Harding, Holback, Everett and Hardy to defend the Medics' flag, a good team must follow.

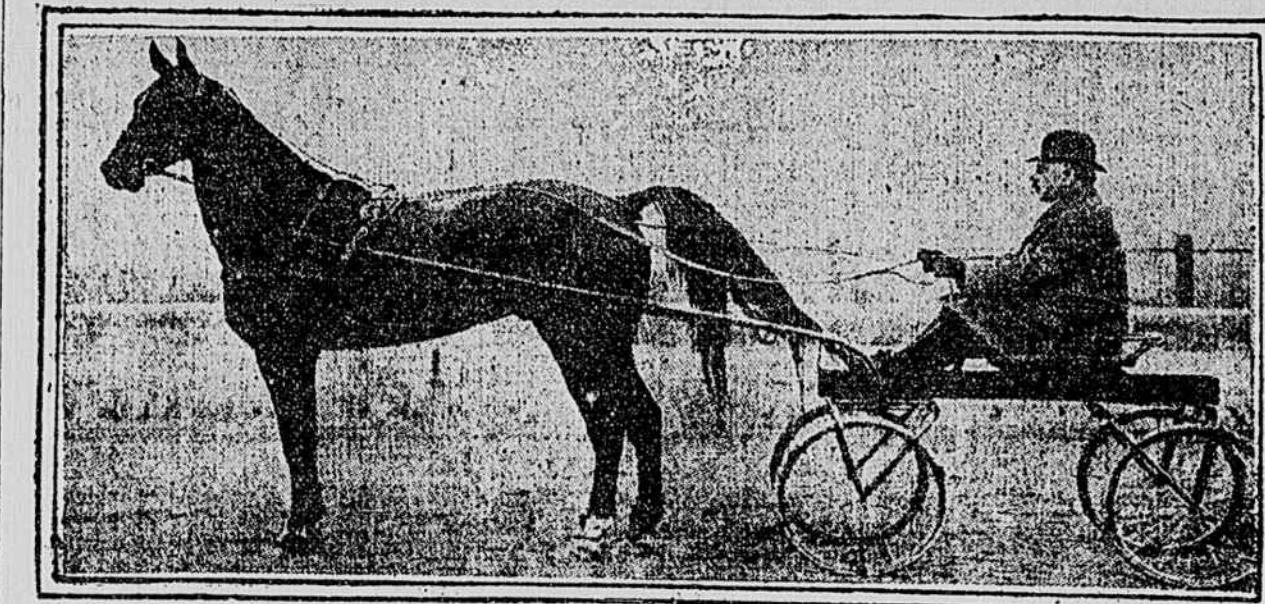

INVINCIBLES NOT DECIDED AS YET

Game With Vigilants of Washington, Is Still Hanging Fire—Decide Soon.

The Invincibles have not decided whether they will accept the challenge of the Vigilant Club of Washington for a game in Washington at the Vigilant Park.

Manager Oliver, of the Vigilant football squad, was in Richmond Friday trying to arrange a game with the Richmond Light Infantry Blues. The Blues would not accept because the game was to be played on Sunday, and the Vigilant's manager then decided to challenge the winner of the Tidewater Invincible game. The Invincibles bested the Tigers by the score of 14 to 0, which directed the challenge of the Vigilant Club at them.

This horse, which holds many records, has been withdrawn from the turf by his owner, C. K. G. Billings. Uhlan bears the reputation of being the greatest trotter ever bred.

DESPITE WEATHER CROWD SEES SHOW

Warrenton Hunt Club's Meet Proves Big Success—Races Are Attractive.

Warrenton, Va., October 20.—The Warrenton Hunt Club field day and race meet was held here to-day over the course on the farm of William F. Wilbur, M. F. H., Warrenton Hunt Club, and in spite of the most unfavorable weather conditions, a day of good sport was had.

The events were to take place on last Saturday, but owing to heavy rains were delayed until to-day. A cold wind blew all day, and while the early hours were bright and warm, in the afternoon a cold rain settled down, and but for the love of good sport the attendance would have been small. As it was, almost 3,000 people witnessed the events. The horse show classes were well filled, and many clean performances were scored.

The races, which were held under the rules of the National and Steeplechase Association, were well filled, and while several riders fell, there were no accidents to mar the occasion. Messrs. William F. Wilbur, W. S. Sowers, E. A. Russell and Richard Wallach won cups in the horse show events. The special cup offered for ladies' races was won by Aslan, owned by W. S. Sowers, and ridden by Miss Mabel Flynn. This class brought out many lady riders. The races were splendid and in every event close.

Alex P. Humphrey, Jr., of Kentucky, who is spending some time in Warrenton, won two races in a most spectacular style. With a poor start in the first race, he gained the lead steadily and finished an easy winner. W. F. Wilbur's victory on Port was a popular one. Messrs. Arthur White, of Keweenaw, and Charles K. Harrison, of Baltimore, were the judges. Messrs. Freddie McElhone and Dan K. Kerr were the starters in the events. Many society folks were present. Summaries: Class No. 1, open to all, performance only to count, cup to winner—first, Aquilla, W. F. Wilbur; second, Shining Light, J. K. Maddux, Chilton Glasscock; up, third, Aslan, W. S. YALE'S ELEVEN IN SIGNAL DRILL

Evening Secret Sessions Will Be Held Daily Until Season Ends.

New Haven, Conn., October 20.—Signal drill was held by the Yale squad to-day instead of the usual afternoon scrimmage. The variety took possession of the baseball cage, and there went over the old and new plays in preparation for Washington and Jefferson next Saturday.

With the exception of Avery, at left end, there were no changes in the usual line-up. Following the practice, instructions were given for evening signal rehearsals this week and daily scrimmages. These will all be in secret, even the undergraduate body being excluded.

MITCHELL GETS CALL AT QUARTER

Chosen Over Four Other Candidates as Field General for Middies.

Annapolis, Md., October 20.—Mitchell, whose work stood out in the game against Dickinson Saturday, was given the preference over the four other competitors for the quarter back position—Vail, Austin, Tinson and Miles. It is expected that Mitchell will be chosen to start at quarter in next Saturday's game against Maryland Agricultural College. The other four, however, are still in the running. Most of to-day's practice was devoted to punting and handling of kicks. Biddgett, a newcomer, proved himself the best punter on the squad, and he probably will be given a tryout in Saturday's game.

SIX ARE INJURED ON ITHACA SQUAD

Cornell's Eleven Badly Crippled. Hope Entertained That They'll Get Better Quick.

Ithaca, N. Y., October 20.—Six of the Cornell Varsity football men were absent to-day when the team reported for practice. These men, among them the most valuable players on the eleven, included: Williamson, McCutcheon, O'Hearn, Barrett, Shelton, Fritz and Shuler.

It is hoped that the majority of these will be so far recovered by the end of the week that they will be able to get in the game against Pittsburgh.

RAIN INTERFERES WITH CARLISLE
Coach Warner Disappointed at Not Being Able to Try New Attack.

Carlisle, Pa., October 20.—A heavy rain seriously disappointed Coach Glen Warner, of the Carlisle Indians, who had expected to be able to give the Redskins a thorough drill this afternoon at the new formations being practiced at the Pennsylvania State game on Saturday. Secret practice was begun this evening. Wettest was not able to appear on account of a badly wrenched shoulder which may keep him out of the game. Otherwise the Carlisle players are in fairly good condition, considering the terrible conflict at Pittsburgh.

WILLIAM F. BAKER HEADS PHILLIES
Named as President of Philadelphia Nationals—Dooen Retained as Manager.

Philadelphia, Pa., October 20.—William F. Baker, former police commissioner of New York, was to-day elected president of the Philadelphia National League Baseball Club, succeeding the late William H. Locke. The directors decided to retain Charles Dooen as manager of the team, and a contract will be offered him at the annual meeting of the club in January. Fred F. Chandler, of this city, was elected vice-president, and L. C. Ruch, of New York, was made a director.

FOOTBALL GETS ANOTHER VICTIM
Kankakee, Ill., October 20.—A. J. Kramer, twenty-one years old, died to-day from injuries received in a football game yesterday.

PREP TEAMS WILL CLASH TO-MORROW

Second League Game Between McGuire's and Richmond Academy Should Be Good.

McGuire's and Richmond Academy will clash at Broad Street Park to-morrow afternoon at 3:45 o'clock.

Both teams have been undergoing severe practice of late, and have become accustomed to hard knocks. This game will be the second prep school league game of the season, and as the two schools are old rivals and will not play another game this season, a good, hard-fought game should result. Both teams are confident of victory, and will be eager to get some ideas to the relative merits of the high school and McGuire's.

McGuire's have held secret practice every day since the opening of the 1913 season, and from what has been seen of them, they are fast and have mastered team work.

Richmond Academy has played a few games, and with the exception of one, has gone through to victory. Captain Pitt and "Little Eddie" Roden are playing great football for the Academy, both in defensive and offensive play.

Coach Daly Gives Men Blackboard Lecture, Pointing Out Many Weaknesses.

West Point, October 20.—Inclement weather prevented the daily workout of the Army football squad to-day, all the players were explained by Head Coach Daly. Hard scrimmages from now on will be the order, for the coaches are determined to have the men in first-class condition for the Tufts game next Saturday.

Several of the Army's mainstays are suffering from bruises. Benedict has a bad ankle, Hodgson has strained his back, and Hobbs, the star punter, is nursing a twisted knee. Several shifts in the line are predicted before the team meets Tufts.

The Invincibles have a strong eleven, which, though light, is fast, and they should, if they accept the challenge, put up a hard fight. They have played some good teams this year and have in every case shown that they are a fast and plucky bunch.

The Vigilant Club is a much heavier team than that of the Invincibles, and have for five years been declared in dependent champion of Washington. To whip the Vigilant eleven is a thing that the Invincibles might be proud of, and now they have the chance to play them and to beat them—if they can.

BLIZZARD STOPS DAILY SCRIMMAGE

Virginia's Eleven Forced Inside When Wind Blows Hard—Preparing for Crackers.

Charlottesville, Va., October 20.—The small-sized blizzard which struck Charlottesville this afternoon kept Virginia's football squad off of Lambeth Field, but the players engaged in signal practice in the Payerweather gymnasium, concluding with several laps around the indoor track.

The men came out of Saturday's game with Virginia Military Institute in good shape, and there were no absences to-day. One or two players complained of sore muscles, but were in good physical condition otherwise. Practice for the contest with Georgia will begin in earnest to-morrow. As the team leaves on Thursday for Atlanta, there will hardly be more than two scrimmages.

ASHLAND HIGH TO PLAY LOCAL TEAM

John Marshall Meets Young Yellow Jackets at Ball Park To-Day.

The John Marshall High School football team will play its third game of the season this afternoon, when it meets the fast Ashland High eleven at Broad Street Park.

While the local boys are confident of victory, the Ashland boys are determined to get revenge for the wallowing defeat they suffered last year. McGuire's beat the Young Yellow Jackets 32 to 0 in their game, and thus by a comparison of scores, the local prep school followers will get some ideas as to the relative merits of the high school and McGuire's.

It is highly probable that John Marshall will be without the services of Captain Cosby. "Mac" has had great difficulty getting into shape this season, and Coach Simpson is giving him an opportunity to get into Al condition for the championship contest with McGuire's on November 8. In case Cosby is unable to play, "Happy" Mathews will be shifted to Cosby's half and Wood put in the quarter back position.

The local high school will probably line-up as follows:
Bumble, left end; Bethel, left tackle; King, left guard; Atkinson, center; Patterson, right guard; Blankenship, right tackle; Turner, right end; Wood, quarter back; Mathews, left half back; W. Owens, right half back; I. Owens, full back.

Lynchburg School's Good Record.
Lynchburg, Va., October 20.—Under the coaching of Physical Director Salsasa, of the Y. M. C. A., the football team of the Lynchburg High School has started off with a bigger rush than was the case last year, when the State high school championship was won by Lynchburg.

In the four games played thus far the high school's goal line has not been crossed, while the team has scored an aggregate of 184 points, having defeated the Cardinal A. C. second team, 27 to 0; Cluster Springs Academy, 51 to 0; Danville School for Boys, 47 to 0, and the Roanoke High School, 26 to 0.

YELLOW JACKETS IN PRIME SHAPE

Battle With Blues Last Saturday Leaves No Ill Effects Upon Men.

Ashland, Va., October 20.—The Yellow Jackets started in another week of practice this afternoon in preparation for the exhibition game with Richmond College Saturday.

The followers of the Yellow Jackets were very much pleased at the eleven's showing against the Richmond Blues last Saturday. The work of the back field was beyond reproach, and the line showed its class, keeping pace with the fast backs. The good condition the players were in was shown in contrast to the Blues' warriors. Only one was time called for the Yellow Jackets, while the Blues were frequently calling time for their men.

Jones and Hush, playing tackle, are developing into two of the best tacklers the Yellow Jackets have had for some years. They both weigh between 170 and 200 pounds, and although they were both new men at the game this year, Coach Reiss has taught them the game in a very few weeks.

The team is practically free from any injured men. Morton, left guard, is the only man that has any injuries, and he has only slight trouble with his knee.

The first championship game with William and Mary is only two weeks off, and then comes the real test, and the Yellow Jackets are going to work hard to maintain their title as champions of the Eastern Virginia Intercollegiate League.

By comparing the scores of Richmond College, William and Mary, Hampden-Sydney and Randolph-Macon against the Blues, the Yellow Jackets seem to have the best team, but comparing scores is often a bad practice, and the Yellow Jackets are not over-confident.

WINCHESTER
MODEL 1912
20 GAUGE
Light Weight
Hammerless Repeating Shotgun

This new Winchester is the lightest, strongest and handsomest repeating shotgun made. It weighs only about 5½ pounds, yet it has surpassing strength, as all the metal parts are made of Nickel Steel, having about 50,000 pounds more tensile strength to the square inch than ordinary steel. The receiver is free from screws and unsightly pins to collect rust and dirt and work loose, and its solid breech, closed at the rear, makes it extremely safe. It operates and works with an ease and smoothness not found in similar guns of other makes. It is simple to load and unload, easy to take down, being separated into two parts quickly without tools. For pattern and penetration, it is fully up to the established Winchester standard of shooting quality, which has no superior.

Ask your dealer to show you one, or send to Winchester Repeating Arms Co., New Haven, Conn., for illustrated circular.
